☐ Meet with an academic advisor to determine course load, courses required toward degree program, and strategies for a successful semester.

☐ Understand that I must complete all courses I enroll in with a grade of “C” or better for any appeal to be continued.

☐ Understand that courses previously passed will not count as successful for Financial Aid purposes if re-taken. Thus, I will only enroll in classes I have not previously passed.

☐ Successfully complete 100% of courses registered for with a minimum GPA of 2.0 (a grade of “C” or better) in each course. Students must take at least 6 credits. Probation appeals will only be considered if a student agrees to register for a minimum of 6 credits hours.

☐ Courses planning on registering for if probation appeal is granted:

If the student fails to meet the terms of the academic plan in any subsequent semester, the student will become ineligible to participate in the financial aid program until the student is able to once again meet the minimum requirements for academic progress. The student’s progress will continue to be monitored at the end of each semester with the same terms in place until the student is in compliance with Connecticut Community College’s satisfactory academic progress policy.
