

Teaching Resources

Jenn Cournoyer, Library Director; Cheryl White & M'lyn Hines, library staff

MEDIA EQUIPMENT for your classroom

Each classroom is equipped with a desktop PC, a ceiling-mounted projector, a DVD/CD player and a sound

system. The library lends additional media equipment to faculty on a 1st-come, 1st-served basis. We appreciate at least 24 hours-notice so that we can be sure the equipment is ready for you (e.g. fully charged). The loan period is typically one class period or one day. A sampling of available items:

- wireless mouse
- laser pointer
- thumb drive
- document camera on a cart
- plasma TV/DVD/laptop combo on a cart
- digital camera
- digital camcorder
- iPad /Mac digital display adapter
- microphones for use in w100, w101, auditorium, cafeteria

ONLINE RESOURCES

- *Films on Demand*—access over 25,000 streaming documentaries or select any of 240,000 segments; post permalinks in Blackboard.
- *Articles Databases*—scholarly journals, newspapers, trade and popular magazines, reports, and primary documents.
- *eBook databases*—reference sources and almost 300,000 books published by academic presses, available in full-text.
- *Citation & Subject Guides*

INFORMATION LITERACY INSTRUCTION

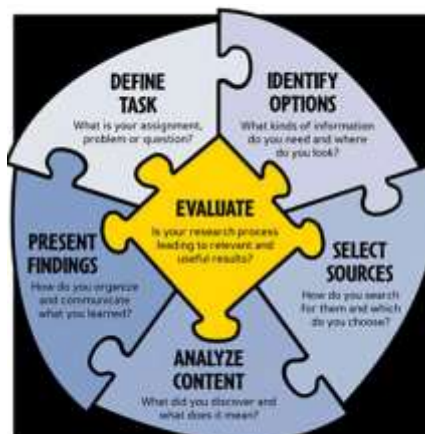

Image Credit: "The Research Process." Seattle Community Colleges: IRIS 4-2.

Schedule a librarian to teach students research skills and source evaluation, and introduce them to credible library and online resources. Lessons are tailored to meet your course learning objectives and research assignments. Instruction can take place in the library classroom or in your regularly scheduled class location. See some past offerings: <http://qvcc.edu/library/menu>

Research Guides: At your request, we will create an online research guide tailored specifically to your assignment. See examples: <http://qvcc.edu/library-samples/>

Online and Interactive: You may add an "embedded librarian" in Blackboard providing students with direct access to library resources and to personalized assistance. You can choose the degree of interaction and access.

LIBRARY CLASSROOM

If you are teaching in a space that does not serve as a computer lab, and you want to plan a lesson that engages your students with hands-on computer work, you may contact IT to reserve a laptop cart on either campus. On the Danielson campus, you may also reserve the Library Classroom, which can accommodate up to 34 students at PCs. Plan ahead, as the classroom books often and early. Reserve your time by calling 24007 (from off-campus, 860.932.4007) or emailing library@qvcc.edu. You may view the current library classroom bookings here: <http://qvcc.edu/library/>

Library Hours—Danielson

Mon—Thurs 9am—7pm
 Fridays 9am—2pm

Library Hours—Windham Tech

Mon-Thurs 3pm-9pm
 (Librarian available Tuesdays,
 4pm-8pm)
