

# Flavors of QVCC - Cookbook Project

## What is the cookbook project?

Inspired by our Bread & Soup events, the project is a community-building initiative aimed at celebrating the diversity of QVCC through the sharing of food. QVCC ESL students hail from all over the world and have added flavor to Bread & Soup events by contributing foods from their countries of origin - many of these delicious recipes will be featured in the cookbook. The cookbook will also include recipes from QVCC faculty, staff, students, alumni, LIR members and Foundation members, with special notes highlighting cultural dishes

The ESL program at QVCC has helped students from a diverse range of countries become proficient in English - but many ESL students do not qualify for financial aid. Proceeds from the cookbook will be provided to the QVCC Foundation ESL Fund to help ESL students with tuition, textbooks and other financial needs. The project is sponsored by the Cultural Programming Committee, the QVCC Foundation, and the Office of the President in collaboration with a Cookbook Planning Committee. The cookbook release (date TBA) will coincide with a QVCC Community Potluck celebration.

Food brings people together. Just visit QVCC's cafeteria or the Fireside Lounge at lunchtime and see for yourself. We invite you to be a part of this exciting initiative to celebrate the diversity that makes QVCC so unique. Let's all enjoy a taste of each other's cultures!
