QVCC Veterans' Garden

Quinebaug Valley Community College's Veterans' Garden celebrates the men and women who have served their country through the Armed Forces. It was dedicated on November 10, 2011.

QVCC continues this project by adding to the brick walkway each year on Veterans' Day. Orders for bricks are taken throughout the year. Bricks can be purchased by veterans themselves, by individuals who would like to honor a family member or friend who served, or in memory of a veteran who is no longer with us. This is not a fundraiser. Bricks are made of granite and are being offered at the actual cost of material and engraving. The cost is $40.00 per brick.

Your personalized brick(s) will be engraved with up to 12 characters (including space and punctuation) per line, with three lines maximum per brick. You will be notified once your brick has been added to the walkway.

SAMPLE

All text will be centered on the brick. You do not need to center letters on the order form.
