An official transfer credit evaluation will be completed for students who have been accepted to QVCC, submitted this request form, and who are currently enrolled in a degree or certificate program at QVCC.

For an official evaluation you must submit transcripts in an envelope sealed by the college or university. Typically, these are sent directly from the college or university to QVCC's Admissions Office. In some cases you may attach the transcripts in sealed envelopes to this request form.

Degree credit shall be granted for credit courses from regionally accredited collegiate institutions. Only courses that apply to your degree or certificate program and which you completed with a letter grade of "C-" or better shall be granted credit. Such credit courses will be accepted only for credit, and letter grades assigned by other institutions shall not be recorded or included in computations of student grade point averages.

Students must complete at least 25% of the minimum credit requirements for the degree or certificate through coursework at QVCC to meet our graduation residency requirement.

A maximum of 50% of nontraditional credits (i.e., Credit for Prior Learning Portfolio Assessment, CLEP, AP and Military) can be applied to your degree or certificate program.
