- *Get lots more info and ideas!

LiR Fall Social - October 4

Enjoy "Great Songs from Great Movies" with David Polansky.

David has an excellent reputation in the region for providing professional quality music while integrating tons of fun!

You'll be tapping your toes and humming along!

Enjoy a snack and meet other active members!

Participate in YOUR LiR!

Mary Saad became the new LiR President on July 1. At the same time, we said a BIG thank you to departing 3-term President Joan Buell.

Mary, as the LiR Vice President, participated in planning the US Coast Guard Band Concert, which culminated the LiR 25th anniversary year. She has assumed the leadership role with ideas to move LiR forward, with the help of the Executive Council, to benefit our members.

Congratulations, Mary!

There is still time

to register new members...tell friends/neighbors/relatives/associates at committees...well, you know! Several series begin soon: Local History (09/25), History III (10/7), History II (10/10), and Diagnosis/Rehab (10/31). And remind them about all the free-to-members movies, music videos and free presenters scattered throughout the semester right up until November 8! REMINDER: 4 movies are included this year, free to those who registered for ANY of the History Series. The movies focus on women who saw something that had to be done, pitched in and just did it.

Isn't it the truth?

"Excellence is not a skill, it's an attitude."

Ralph Marston

Isn't it also the truth?

LiR brings you together with others who share your philosophy that keeping your brain engaged is the best attitude toward keeping your life excellent!

Joan Buell's name is added:
LiR's Lucky 13th President!
