Dear LiR Members:

Quinebaug Valley Community College has been LiR's home since community leaders began our wonderful organization 25 years ago. Without QVCC's auditorium and classrooms, secretarial, technology and printing services, I do not know how we would exist. Ten years ago, LiR started an endowed scholarship program for degree students attending QVCC as a way to show our appreciation to the college and to help change peoples' lives. Five years later, we capped that endowment at \$50,000. Last year, out of the interest (no principal is ever used) on this endowment, we gave two \$1,000 scholarships to worthy QVCC students.

Five years ago, we decided to help students who were not in a degree program. QVCC has a number of certificate programs through which people can learn skills which can immediately lead to a better job. These eighteen programs include: Certified Nursing Assistant, Pharmacy Technician and Veterinary Assisting. Last year \$800 was given out in grants to help with the cost of books, course supplies, and other necessary expenses. This fund is presently at over \$44,000 and we are eager to cap it at \$50,000.

Because of QVCC's devotion to our community, our scholarships and grants have gone to 17 year old and 50 year old students seeking better lives. Lois and I and many LiR members give every year. Join us to give a local student a hand up.

Please see a letter we received from last year's scholarship recipient on the back of this letter.

Sincerely,

Bill Brower

Dear LiR,

I am writing to express my sincere gratitude to you for awarding me with the *LiR Scholarship*. I was thrilled to learn of my selection for this honor and I am deeply appreciative of your support.

I plan to major in neuroscience after I complete my general studies courses at QVCC. The financial assistance you provided will be of great help to me in paying my educational expenses, and it will allow me to concentrate more of my time for studying.

Thank you again for your generosity and support. I promise you I will work very hard to make sure your gracious donation does not go to waste. Thanks to you my dream of being a neuroscientist will come true.

Sincerely,

Leah
