

Greetings to the QVCC Student Body,

The **Learning Center** is open for business. We have taken to calling the new environment the Virtual Learning Center (VLC). To get you started, it is to your benefit that you have a headset and webcam, although it is not imperative.

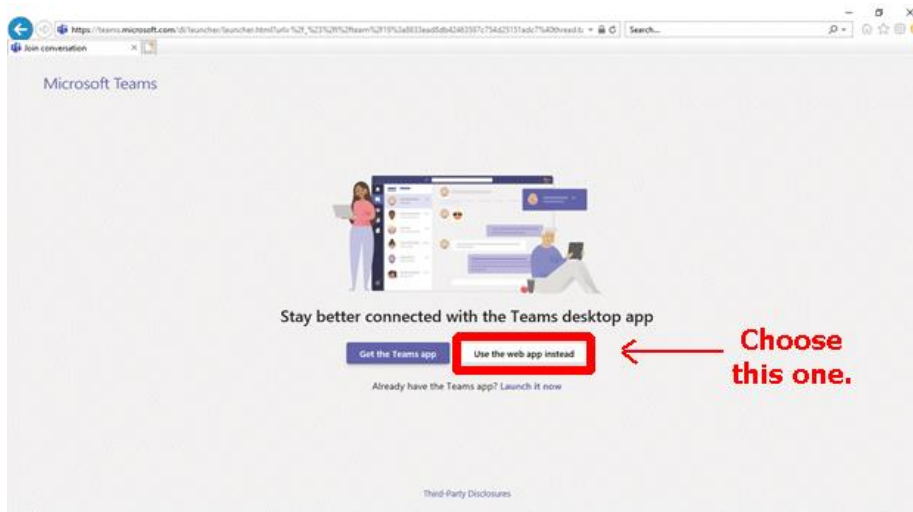

1 Copy and paste the link below into a web browser, Mozilla Firefox is recommended, and you will be brought to a login page. (See Img1)

<https://teams.microsoft.com/l/team/19%3a8633ead8db42463597c754d25151adc7%40thread.tacv2/conversations?groupId=e09e8af0-ca45-43d4-9cf5-c884c3fe640c&tenantId=679df878-277a-496a-ac8d-d99e58606dd9>

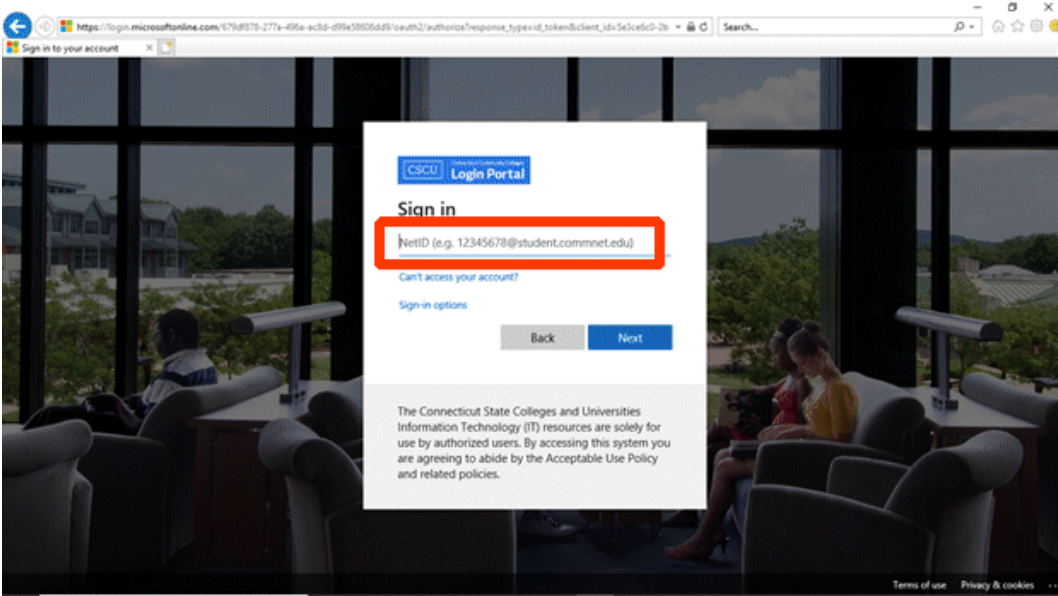

Img1

2 In the new window click on **Use the web app instead.** (See Img2) *Note:* If you would like to **Get the Teams app** I would recommend that you login first and then let the staff assist you with downloading the Teams app.

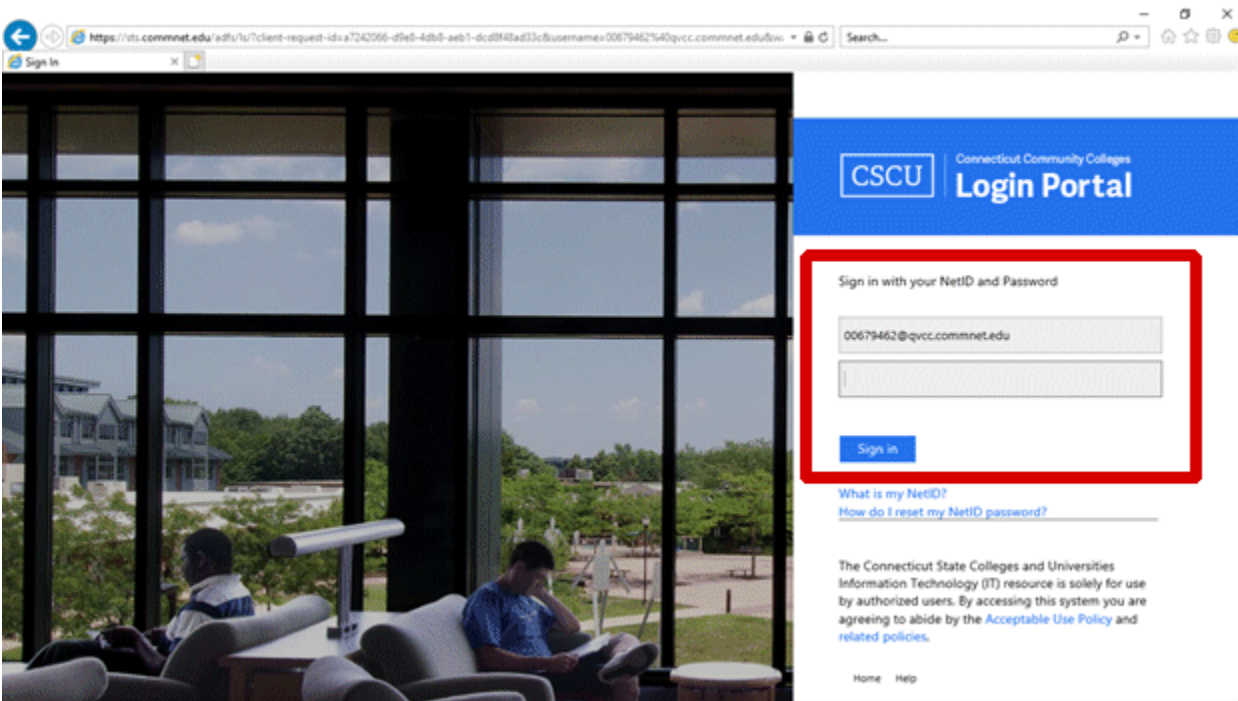

Img2

3 The next window that opens will prompt you to login. Just login to Teams with your NetID (e.g. 12345678@student.comnet.edu). (See Img3)

Img3

4 After you login you will be prompted to login again. (See Img4)

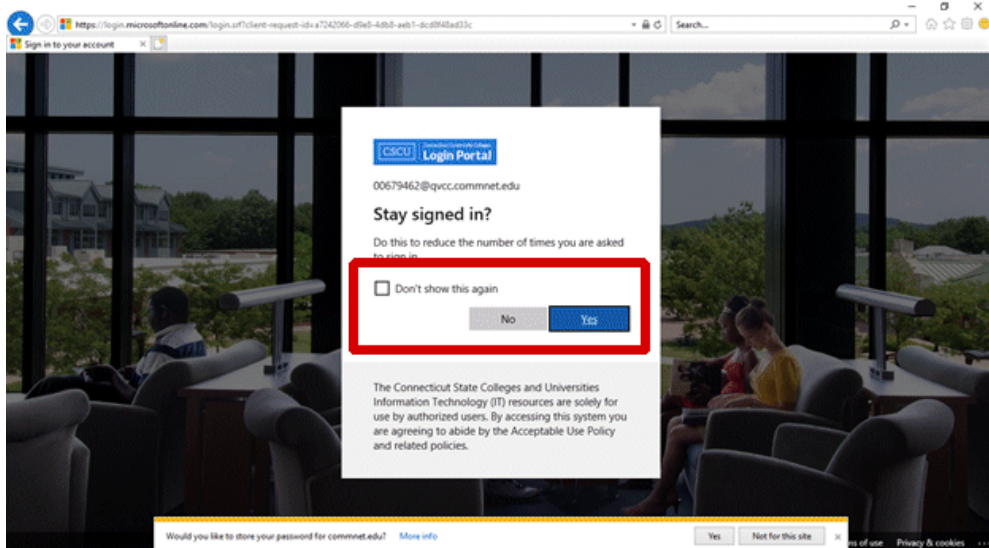

Img4

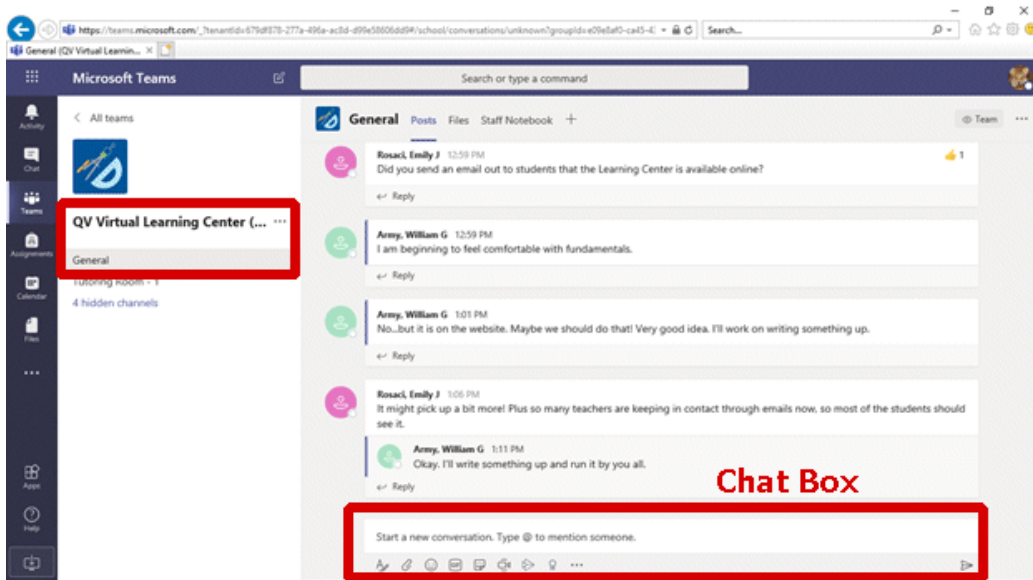

One more page.

5 You will encounter one more page asking if you want to **Stay signed in?** Select Yes or No. (See Img5)

Img5

6 Finally a page will open with some virtual rooms. You will have entered the **QV Virtual Learning Center (VLC)**. Once in, click the General tab in the menu on the right and type a greeting in the chat box (center and at the bottom of the page) so people know that you are there.

Img6

Once you are logged in we will start a dialogue with you and address your needs. It sounds quite complicated, but it is not, and the VLC staff will help you to figure out just what you need to get going. We are all in this together.

Stay healthy.

Hope to hear from you soon,

Bill Army
