

Jenna Haines

Liberal Arts and Sciences, A.A. QVCC '17

Political Science & Government, B.A. Smith College '19

Jenna is a lifetime local of the Quiet Corner and a 2017 graduate of QVCC. During her time as a student here, Jenna was actively involved in political orgs on campus, student government, and college event planning. Following her graduation from QVCC, she was accepted into the Government program as a transfer student at Smith College in Northampton, MA.

Jenna attributes her admission to Smith to the opportunities QVCC provided for her to bolster her academic resume, build interpersonal and leadership skills, and clarify her career path. She is eager to work in community engagement with LGBTQ+ youth and adults, in drug and alcohol rehabilitation, or where the two fields intersect.

Post-graduation, Jenna spent 6 months traveling solo in Europe, working in hostels and Workaway programs to foster relationships abroad. Her #1 bucket list item is to find work and live in St. Petersburg, Russia for a year. Today, she runs a small online vintage shop to fuel her creativity and her travel fund! When she kicks the travel bug- or manages to stall it for long enough- Jenna will continue her higher education in a Social Work or Non-Profit Business Master's program.
