QVCC Foundation Student Fund

Fund Overview

The QVCC Foundation's Student Fund assists matriculated students in meeting financial needs that may disrupt their academic progression if unmet. The funding can be used towards modest tuition assistance, book/educational supplies, credential/certification exam fees, and other unexpected financial obligations. As funding is limited, students will need to document how they will meet the balance of their need. (For instance, if applying for funding to pay for a course, students should demonstrate that the amount they are requesting for the grant, along with additional funds they may already have available to them, will sufficiently meet the cost of the course). There is no application deadline; applications are considered on a funding as needed basis and until the funding is depleted. Students must meet all eligibility requirements and submit all documentation listed below to be considered.

ELIGIBILITY REQUIREMENTS:

- Must be registered and matriculated into a degree or certificate granting program during the semester you are requesting a grant at QVCC
- Student must have exhausted all federal and state grant/scholarship opportunities available to them
- Student must have demonstrated financial need (based on FAFSA, outstanding balance, or other extenuating circumstance)

NECESSARY APPLICATION MATERIALS:

- Completed application (on back)
- Personal statement describing financial need and how receiving a grant would help both meet that need and your education goals
- Documentation to support financial need if applicable

Applications will be reviewed by members of the Financial Aid Team and awards are made on a rolling basis.

For more information, or for questions about the application process, please contact the Financial Aid Office at qv-finaid@qvcc.edu or 860-932-4003.
