The QVCC Foundation is pleased to offer the following scholarships for the 2022-2023 academic year.

Who Can Apply

Most scholarships are available to students who will attend QVCC in the 2022-2023 academic year and have a GPA of 3.0 or better. Matriculated students may also use their scholarships in summer of 2022 or winter intersession 2023.

Part-time students are eligible and must be enrolled in two or more classes. We recommend that scholarship applicants carefully review individual scholarship criteria. *PACT funds will not limit or impact scholarship eligibility.*

Where to Get an Application

The application is only available online at [QVCC.edu/scholarships](https://www.qvcc.edu/scholarships)

When to Apply

Scholarship applications and all supporting documents are accepted between February 1 and noon on **March 11, 2022**.

It is the scholarship applicant's responsibility to ensure that the packet is complete and on time. Failure to do so will void the application.

Steps to Complete Application Process:

The scholarship application consists of:

- Application (ONLINE only!)
- Official transcript

- Two current letters of recommendation (one academic and one character)
- All military applicants must provide their DD214.
- All art scholarship applicants must provide a portfolio to be turned in at the Spirol Art Gallery by March 11.
